PROFESSIONAL SUMMARY

Dedicated Computer Science student with strong foundation in Python programming and data analysis. Seeking a Python Developer role to apply technical skills and contribute to innovative software solutions. Passionate about learning new technologies and solving real-world problems through code.

EDUCATION

Bachelor of Technology (B.Tech) - Computer Science Engineering

Dr. D.Y. Patil Technical Campus, Pimpri, Maharashtra

Expected Graduation: June 2027

Current CGPA: 8.3/10

TECHNICAL SKILLS

Programming Languages:

- Python (Intermediate)
- C (Intermediate)
- Java (Basic)
- SQL (Intermediate)

Frameworks & Libraries:

- NumPy - Array operations and numerical computing
- Pandas - Data manipulation and analysis
- MongoDB - NoSQL database management

Tools & Software:

- Microsoft Excel - Data analysis and spreadsheets
 - Microsoft PowerPoint - Presentation creation
 - MS Paint - Graphics editing
 - SQL Database Management
-

CERTIFICATIONS & ACHIEVEMENTS

- **Udemy:** Basic Python Certification
 - **Anudip Foundation:** Introduction to Programming with A1 Grade
 - **Anudip Foundation:** Data Visualization in Python
 - **B10X AI Workshop:** Artificial Intelligence Workshop Certificate
-

KEY COMPETENCIES

- Data analysis and visualization
 - Object-oriented programming concepts
 - Database design and management
 - Problem-solving and logical thinking
 - Collaborative team work
 - Quick learner with strong interest in emerging technologies
-

CAREER OBJECTIVES

Seeking a Python Developer position to leverage programming expertise in developing scalable applications. Committed to continuous learning and contributing to team success through quality code and innovative solutions.

ACADEMIC PROJECTS & LEARNINGS

Data Analysis Projects:

- Worked with Pandas and NumPy for real-world data manipulation
- Data visualization using Python libraries

Programming Fundamentals:

- Developed applications in Python and C
 - Understanding of object-oriented programming concepts
-

INTERESTS & STRENGTHS

- **Technical Interests:** Python Development, Data Analysis, Cybersecurity, Network Programming
 - **Soft Skills:** Communication, Problem-solving, Time management, Collaborative learning
-

ADDITIONAL INFORMATION

- Actively preparing for competitive exams (GATE CSE)
 - Strong commitment to academic excellence
 - Enthusiastic about contributing to technology-driven projects
 - Open to learning modern development frameworks and tools
-
